★EXPERIENCED ★TRUSTED ★PROVEN LEADER

SUSAN KREBS

COMMISSIONER, DISTRICT 5

Join the South Carroll community in electing
Susan to continue representing us.

"Susan has been an effective and responsive public leader both in elected office and in her community during the 41 years she and her family have lived in Eldersburg. Her background in Accounting and Finance gives her the skills needed to ensure fiscally sound public policy. Susan is known for her strong work ethic, passion for her community, and ability to get things done."

- Former Governor Robert Ehrlich

Susan was recommended by the Carroll County Republican Central Committee to fill the vacant seat after Commissioner Rothstein resigned - she took office in September 2025.

Susan is a familiar face to most of you having been elected countywide to the Carroll County Board of Education and then elected 5 times to serve in the Maryland House of Delegates. Susan has a long voting record of fighting for the conservative values which reflect Carroll County voters.

WHY DID SUSAN GET BACK INTO PUBLIC SERVICE?

It had become increasingly apparent that strong forces were turning the Eldersburg/Sykesville area (Freedom District) into a hodgepodge of uncontrolled high density residential and commercial growth with little planning or investment in infrastructure like schools, roads, and open spaces. She saw increasing utility bills and property tax bills with no accountability or action. ***She could not sit idly by and watch this transformation of our community.***

ENDORSED BY CARROLL COUNTY FOP / LAW ENFORCEMENT

Your vote in the Republican primary election on June 23rd is very important.
